

WE SALUTE YOU  
**MERRILL**  
ON YOUR  
**100th BIRTHDAY**

Merrill can be justly proud of the progress since her humble start in 1847. She progressed rapidly with the great lumber industry into an outstanding city. When the lumber industry discontinued, Merrill's growth stopped for several years, but she is again rising to greater heights with new industries. We take great pride in the part we are taking in the rebuilding of Merrill as one of the foremost cities in Wisconsin, and we will continue to strive for the betterment of our city and surrounding community.
