## BUILT MERRILL

From A  
Wilderness Of  
Savage Indians And  
Wild Beasts To A Modern  
City Of Many Diversified Indus-  
tries, It Was The Co-operation Of  
The Pioneers That Transformed Merrill.  
Only By The Sweat, Blood and Tears of Many,-  
Working In Unison, Was The Merrill, As We Know It  
To-day, Made Possible.  
In Order That Our Community May Continue To Grow and Flour-  
ish, We Too Must Unite and Co-operate In The Year's To Come.

Co-operation Has Also Been The Springboard To Success Of Our Organiza-  
tion. From a Humble, Virtually Unheralded Beginning The Associat-  
ed Co-op Has Grown Into A Progressive Big Business, Cater-  
ing To, and Serving The People Of This Vicinity.  
Our Record of Service In The Past Is Our Recom-  
mendation For Your Patronage In The Future.
