50 YEARS OF DISTINCTIVE SERVICE

We are proud to say that for 50 years the name of Schram has been prominent in the furniture business, of which 39 we have been serving Merrill as a leading furniture dealer. We have seen Merrill grow steadily and have, during that time, grown with her. Our line of merchandise has always been the best available—our service prompt and efficient. In the great future we see for Merrill we will continue to give the best in service to her citizens.
