## CITY HALL

Merrill's City Hall was completed April 30, 1889. The offices of the mayor, city clerk, assessor, treasurer and city engineer are located in the building. The building also houses the council chambers, the police department and water utility offices. In addition to these facilities the City Hall is used by the Red Cross. Social Security and Employment officials. Today the building has a family counseling center and a drop-in center for the elderly.
