

78 Years of Reliable Service

Fowler's Drug Store, Merrill's most up-to-date pharmacy, has been an established business in Merrill since 1895. Today Mrs. Evelyn Fowler is president of the drug store and Mr. Dennis Schalow, R. Ph., is the manager.

Pictured above is Fowler's store in 1905. The original owner of the pharmacy is Charles Fowler on the left. Long-time employee and pharmacist, Gene Semling, is on the right. Semling worked at Fowler's for 66 years.

This recent photo shows the store, as it has been since last remodeling in 1969. Pictured here are Terry Fochs, registered pharmacist (left) and Dennis Schalow, registered pharmacist and manager, (right).
