

## Merrill's Dodge, Plymouth and Chrysler dealer joins celebration

In September, 1964, Al Wendland and Ray Dreger took over Lincoln Co. Motors which was run by Fred Doepke. Remodeling began in 1968 when Park City Motors was expanded to the west with the demolition of the old Tewes Grocery and Newton's Paint Store. The new modern showroom opened in 1970.

Merrill's Dodge, Plymouth and Chrysler dealer has increased their number of employees from two to 16. In 1969 Park City Motors acquired the Chrysler-Plymouth franchise. The Imperial franchise was awarded to the Dodge Boys in 1970.
