

## New business becomes part of Merrill

This building on the corner of Genesee and Main has been a major part of the Merrill west side business scene since the turn of the century. Now converted to modern apartments upstairs, it houses one of Merrill's newest businesses, Electrical Wiring and Supplies, Inc. We're proud to be a part of the continuing Merrill story.

## We are part of Merrill's Quasiquicentennial

Looking towards West Main Street (1916)

Featuring all name brands, Merrill Carpet and Linoleum is the city's most complete flooring shop. To add that final touch of decor, we also offer a wide variety of paints and

drapery to each customer.

A valuable part of Merrill's anniversary celebration, Merrill Carpet and Linoleum invites all of Merrill to join in the event.
